## Tour Overview

Spring is when Japan casts off its winter blanket and really lets its hair down. Every park is packed with revelers gathered beneath the cherry blossoms, festivals are underway across the country and nearly everyone embraces the party-like atmosphere. This really is a wonderful time to travel.

No trip to Japan would be complete without seeing something of the big city, and your tour will be bookended by stays amongst the skyscrapers of Tokyo. You'll receive an introduction to Japanese cuisine at a local restaurant and experience Tokyo old and new. Teahouses, shrines, temples and gardens give respite from the bustle of this great metropolis, providing a contrast with the futuristic cityscape for which the city is famous.

In the Japanese Alps, the city of Matsumoto and the craft town of Takayama offer a trip to the iconic Black Crow castle and an excursion to Hida no Sato Village respectively. The former is one of Japan's most impressive samurai castles, whilst the latter is an open-air museum showcasing the steeply thatched, "praying hands" farmhouses typical of the region.

Kanazawa offers a glimpse of life in a small, beautifully preserved traditional city, which has embraced the arts for centuries. Three days in Kyoto, meanwhile, will induct you into Japan's other great cultural city. The highlights here include an audience with a *maiko* (apprentice geisha) and tickets to the Miyako Odori: the annual geisha dances given to celebrate the onset of spring. You will have plenty of time to visit some of the city's 17 World Heritage Sites too, of course.

Within a couple of hours of Tokyo, the Fuji-Hakone-Izu National Park is a haven of natural splendour. With stunning views of Mount Fuji across Lake Ashi and a profusion of volcanic hot springs, you'll have the chance to relax and unwind in a traditional onsen bath stay in traditional Japanese accommodation and visit a world-class sculpture park in an unbeatable setting.

This is an active tour packed with opportunities for exploration, good value mid-range accommodation and a variety of meals included. With your tour leader to steer you through the most fascinating aspects of these superb destinations, this tour offers a classic sightseeing experience in comfort, at a fantastic time of year.

## Day by day

*Many of our customers choose to arrive a day or two early to get over jet-lag and get the most out of the tour. Whatever the case, we will be happy to make arrangements to suit your needs.*

### Day 1 Tokyo (D)

On arrival in Tokyo you will be met at the airport by your driver and travel by shuttle bus to your hotel in the Asakusa district where your tour leader will be waiting to meet you in the lobby. The rest of today will be free for you to explore the low-rise market stalls and beautiful red temple of Senso-ji, a few minutes' walk from the hotel, before a welcome meeting this evening. This will be followed by an included group meal at one of the area's excellent restaurants.

### Day 2 Tokyo (B)

Today will be split between a guided tour by your tour leader in the morning exploring the metropolis comprised of multiple city centres each with its own distinct character and an afternoon private coach tour with a local guide, giving you extensive insight into the history and modern aspects of Tokyo life.

The day begins by heading to the former Shogun residence of Hamarikyu, now a beautiful public garden with a central pond, and grand vistas of the surrounding skyscrapers and Tokyo Bay. Time allowing, we can head to Ueno to experience market life and have lunch before meeting our local guide and driver for the afternoon. Next we'll travel by private bus across to the city's west side, where the wacky fashion quarter of Harajuku borders the verdant imperial shrine complex of Meiji Jingu. With a curiosity on every street corner, Tokyo is sure to keep you stimulated throughout.

### Day 3 Tokyo (B)

Today you will be free to accompany your tour leader on an excursion to Kamakura or Nikko, spend some more time exploring Tokyo, or perhaps branch out on an independent day trip.

Kamakura is a lovely seaside town, famous for its giant Buddha and numerous sacred sites, craft shops, boutiques, nature walks and pleasant beaches. If weather permits, your leader will offer a short, two-hour hike to some of the famous sights, such as the giant Buddha. Alternatively, you can head to the same sights by taxi, bus or train. If Kamakura doesn't tickle your fancy, you might opt to go it alone and visit Nikko, home to a wonderfully elaborate shrine complex and resting place of Japan's most important shogun, Tokugawa Ieyasu. Your tour leader will be happy to help you plan your day.

### Day 4 Matsumoto (B)

Today you'll begin your journey to the city of Matsumoto, a river plain city close to the Kita Alps mountain range. Our journey heads northwesterly from Tokyo by express train, passing close to Mount Fuji and the Minami Alps. Matsumoto is famous for its impressive "Black Crow" castle, one of the few remaining original samurai castles in Japan. Make sure you take the time to explore the *donjon* (main keep) and its museum.

The city also has a very relaxed atmosphere with a beautiful riverside merchant's quarter to wander. If you are interested in the *ukiyo-e* woodblock prints of masters such as Utamaro, Hiroshige and Hokusai, a visit to the Matsumoto Ukiyo-e Museum would be well worth your while!

For dinner this evening we recommend trying *soba* noodles, a speciality of the region, or (if you're feeling really adventurous) perhaps a bite of *basashi* - that's raw horse! Your tour leader will, of course, suggest something to suit your palate, whatever that may be.

### Day 5 Takayama (B,D)

On day five you'll continue your adventure through the Japanese Alps on a spectacular bus ride as you wind your way to Takayama, a town traditionally known for the high quality of its craftsmen. In fact, Takayama's craftsmen were responsible for building some of the greatest temples and shrines in Kyoto.

This afternoon you will have some time to explore the lovely Sanno-machi district of Takayama, where you can peruse craft shops and perhaps stop in at one or two of the town's breweries for a spot of sake-tasting.

This evening you'll return to your homely traditional ryokan inn for an elaborate, multi-course kaiseki dinner, served Japanese-style. We absolutely recommend taking advantage of the ryokan's hot spring baths before bed this evening!

### Day 6 Takayama (B)

A local guide will be at hand to lead you through this charming historic town today. You will be sure to take in the wonderful riverside morning market, where you'll get a look at the fresh local produce and crafts. Hida no Sato Folk Village, just out of town, is an open-air museum where you can wander amongst traditional, thatched *gassho zukuri* farmhouses – a great opportunity catch a glimpse of Japanese mountain life, pre-industrialisation.

Dinner is not included tonight, so we suggest heading out to try some succulent Hida beef, the pride of the local people. It may not be as well-known as the Kobe variety, but by all accounts it's just as tasty!

### Day 7 Kanazawa (B)

Today you will leave the mountains behind in exchange for a day in Kanazawa on the Japan Sea Coast. Travelling by private coach the journey will take us through stunning scenery. Like Kyoto, the city of Kanazawa escaped bombing during World War II thanks to its wealth of historical buildings and cultural achievements – meaning that today it is one of Japan's best-preserved historical cities. Wander the geisha districts, visit Edo-period houses in the samurai quarter, – and whatever you do, don't miss Kenrokuen – one of Japan's top three landscape gardens.

In the evening, why not sample some fresh sushi from the market or head to a fish restaurant? Kanazawa is renowned for its great seafood, so don't miss out.

### Day 8 Kyoto (B,D)

Midmorning, we will be heading to Kyoto on another beautiful train journey, passing Japan's largest lake (Lake Biwa) along the way. This afternoon you will have time to rest or may join your tour leader in exploring the historic Higashiyama district, before a late afternoon stroll to Gion, the city's traditional geisha quarter. Here you will enjoy a private audience with a *maiko*, a trainee geisha, where you'll have the chance to learn about the mysterious and elegant world of the geisha. Afterwards, we will be heading out to one of the city restaurants for an exquisite included group meal, Kyoto-style.

### Day 9 Kyoto (B)

On day nine we will have a private minibus and a local guide at our disposal, ready to demonstrate why Kyoto is known as the "City of Ten Thousand Temples"! It's not about all religious sites, however, as you may also get a chance to see the "nightingale floors" of Nijo Castle and enjoy the bamboo groves of Arashiyama.

We have tickets for the Miyako Odori geisha dances later this afternoon, so we will aim to get you back to the hotel in time to freshen up.

### Day 10 Kyoto (B)

Day ten of your tour will be free for you to continue exploring Kyoto's myriad sights, or to make a day trip out of the city. Your tour leader will be heading out to one of their favourite day-trip spots – perhaps the nearby ancient city of Nara or the spectacular samurai castle at Himeji. You may even want to head (unguided) as far away as Hiroshima and the wonderful Miyajima Island, famed for its huge red Shinto gate in the sea, roaming deer and maple forests. If there is somewhere you would particularly like to visit, your tour leader will be happy to help you make independent arrangements for today.

### Day 11 Hakone (B, D)

It's all aboard the bullet train for the journey to Hakone, one of Japan's most popular hot spring resorts, and part of the Fuji-Hakone-Izu National Park. This afternoon we've included tickets to the Chokoku no Mori Open-Air Museum, where you'll find sculptures by Moore, Rodin, Kusama and Picasso amid beautiful scenery. Take your time to absorb the great works of art and alpine setting. After you've worked up a healthy appetite in the fresh mountain air, relax for the evening as we treat you and the group to a scrumptious dinner at one of the fabulous restaurants nearby.

### Day 12 Hakone (B)

Your included "Hakone Free Pass" tickets allow unlimited travel on nearly all of the diverse transport in the Hakone region. With a full day to explore the sights with your tour leader you'll use the pass to travel by, amongst others, cable car, funicular railway and even a pirate ship! On today's itinerary is a visit to an old samurai checkpoint to find out about Hakone's past as a post-town on the ancient Tokaido trail, a visit to Owakudani volcano and if the weather obliges, spectacular views of Mount Fuji! There will, of course, be time to look at the area's famed marquetry crafts, on offer in Hakone town.

### Day 13 Tokyo (B, D)

After a delicious breakfast, a private coach will arrive to take us back down to Hakone Yumoto station from where we will get the train back to our final destination, Tokyo. Our stay in Shinjuku offers a final reminder of the modern and traditional contrasts of this great country.

Why not use the time to wander through the fine grounds and Japanese gardens at Shinjuku Gyoen Park?

Then dip into the chaos of Kabukicho – shops, restaurants and...anything goes! Those with last-minute shopping requirements will not be disappointed in the retail heaven of Shinjuku.

To round off the tour we have included a final dinner with your group. We hope you enjoy looking back over an amazing two weeks.

## Day 14 Tour Ends (B)

Finally it's time to say goodbye, and you'll make your way back to the airport, by arranged transfer, in time for your flight home. If you are continuing your holiday, enjoy the rest of your Japanese adventure!

*Our tours aim to be as flexible as possible, so there is no set-in-stone itinerary for each day. You will be provided on the ground with Day-by-Day sheets and the tour leader will outline what they are going to do each day in detail. If you would like to break away from the group and do something different, they will be available to offer advice, and help you plan your day.*

# Important Tour Information

## Fitness

Even when not using public transport, sightseeing in Japan often involves walking between sights, climbing up steps in temples and being 'on the go' for much of the day. To enjoy any of our Small Group Tours you should be of moderate fitness, able to walk and climb stairs without difficulty and able to maintain a pace that is comfortable for the majority of the group.

## Dietary Requirements

There are a number of meals included on all our tours. Please let us know in advance if you have any special dietary requirements and we will try to ensure that included meals meet these needs.

In addition, please note that dietary requirements (such as vegetarianism, gluten-free diets and even some allergies) are very uncommon in Japan so meals for those with specific requirements may be simpler and less varied.

On this tour you'll stay at a Japanese style accommodation, you will be served a traditional dinner, as well as a Japanese breakfast in the morning.

## En suite / shared facilities

We aim to secure rooms at all accommodation with attached en-suite facilities. Culturally, communal bathing is common practice in Japan. Shared facilities (when included) will always be separated by gender.

## Policy on single rooms

Single rooms are guaranteed at all night stops on this tour through payment of a mandatory single supplement.

## Double rooms

Please note that in Japan, twin rooms are very much the norm, and there are far fewer double rooms available. Please understand that we will not be able to offer a double in every hotel on this tour.

A double grade does not guarantee double rooms throughout.

## Your tour leader

Our tours are led on the ground by a fluent English speaker, now a resident of Japan and able to speak Japanese. They are there to ensure that you get the most out of your trip and that the whole adventure goes smoothly. The tour leader travels with the group and stays at the same hotels and *ryokan*, so please feel free to ask for help or advice at any time.

Your tour leader is not a guide so may not know every historical detail of every shrine, temple or palace, yet they are available pretty much all day every day and will even be happy to accompany tour members out at night on occasion!

Please note that the tour leader reserves the right to deny participation in an activity if they feel that it is in the safety or best interest of you and/or any other members of the group. Similarly, dangerous weather conditions may lead to cancellation of such an activity.

## Luggage

We highly recommend that to make your stay more enjoyable you pack reasonably light. Large suitcases will be an inconvenience to you as you will have to carry your bags for short distances at times and some stations do not have escalators or elevators/lifts

For ease of transit, we will be forwarding your luggage on three occasions and you will be without your main bag for 1 night in Matsumoto, 1 night in Kanazawa and 2 nights in Hakone.

You will need a small overnight bag (e.g. backpack) for use when we forward our main bags to the next location.

## Transport on tour

Please note that most transfers are by public transport making use of Japan's first-rate transport network. This tour uses a mixture of trains, taxis, public buses and boats, as well as private coaches for some transfers and sightseeing.

## International Flights

This tour starts and finishes in Tokyo for arrivals and departures at Tokyo Narita Airport or Tokyo Haneda Airport. Please note that the included meet and greet, shared shuttle airport transfer to the first hotel is ONLY available from these two airports.

## Check-in

Upon arrival you will probably be tired after a long international flight. Please note that rooms at the Tokyo hotel are only available **from 2pm**.

Hotels in Japan operate strict check-in policies. Check-in will be at three or four in the afternoon for most accommodations. If you have an early arrival you can either book an extra night for any-time check-in, or the hotel will be happy to securely store your luggage for you whilst you go for a drink or explore the local area.

The tour leader will be staying at the first hotel for two nights before the tour starts so they will be available for advice if you choose to book pre tour nights. We recommend booking at least one extra night to check in and relax before the tour begins.
